

## ***FETÖ okulundan skandal ilan ! O ülkenin istihbarat servisine...***

Avustralya'nın Melbourne kentinde Fetullahçı Terör Örgütü (**FETÖ**) ile bağlantılı olduğu bilinen okul, internet sayfasında yayımladığı Avustralya Güvenlik İstihbarat Örgütünün (ASIO) stajyer aradığına dair duyurusunu, tepkilerin ardından kaldırdı. Okulun, internet sayfasında, ASIO'nun 12. sınıf ve üstü sınıftaki öğrencilerden örgütte çalışmak üzere eleman aradığına dair ilan yayımlandığı ortaya çıktı.

### **"ÜCRET VE ÇALIŞMA KOŞULLARI İNANILMAZ"**

Sosyal medyada, "12. sınıftan sonra ASIO için çalışın! ASIO Bilgi Yönetimi ve Bilgi Teknolojileri alanında stajyer alıyor. Ücret ve çalışma koşulları inanılmaz ve örgütte stajdan sonra çalışmanın yolu açılıyor." ifadelerini içeren ve okulun duvarlarına asılan ilanın fotoğrafları paylaşıldı.

### **GEREKLİ YETENEKLERE SAHİP KİŞİLER...**

Avustralya'daki Türk toplumundan gelen tepkiler üzerine ilanı sitesinden kaldıran okul yönetimi, ilanın başka okullara da asıldığını ve "gerekli yeteneklere sahip" herkesin ilandaki pozisyona başvurabileceğini savundu.

# **DON'T TELL ANY one...**

Work for **ASIO** WHILE IN YR 12 OR STRAIGHT AFTER...

## **Benefits**

During the IT Traineeship you will earn a salary of **\$58,330\*** plus 15.4% superannuation.

In addition to your salary ASIO will cover the costs relating to the completion of a Certificate IV in Information Technology.

On successful completion of the IT Traineeship program you will be promoted to –

Information Technology Employee Grade 1 with a salary of **\$74,981\*** plus 15.4% superannuation.

\* Annual Salary effective 1 July 2018

## **Who we are looking for**

The IT Traineeship is aimed at Year 12 students or students undertaking their first year of vocational education ICT course. In addition to having a passion for technology you should be able to: • Work effectively within a team environment • Solve problems • Communicate clearly • Have a commitment to ongoing skills development. Applicants with a keen eye for coding are sure to enjoy a placement within the applications development area.

## **Why you should apply?**

It's no secret ASIO's role is to protect Australia and its people from security threats such as terrorism and espionage.

What you may not be aware of is the importance technology plays in achieving ASIO's mission.

As an Information Technology Trainee you will work alongside IT professionals in delivering the ICT infrastructure that keeps Australians safe.

IT trainees undertake a Certificate IV in Information Technology while receiving on the job training and mentoring.

Your learning does not stop once you have completed your Certificate IV.

Our IT professionals have ongoing access to professional development training and are supported in gaining industry certifications from leading IT vendors.

It isn't a career—it's a calling.

## **Eligibility**

Applicants must be Australian citizens and willing to relocate to Canberra, assistance can be provided as part of a relocation package.

## **ASIO security clearance**

Everyone who works in ASIO is required to hold the highest level of security clearance in Australia. To be eligible, you need to be an Australian Citizen. To gain this clearance all candidates will be asked to provide a significant amount of personal information and answer a number of questions. – Security is taken very seriously, so you are asked to keep your application confidential. Failure to keep your ASIO application confidential may negatively impact your ability to obtain the required security clearance and impact your chances of employment with ASIO.

## **How to apply**

More info at term 3 week 9 newsletter at-

<http://www.siriuscollegecareers.com/?page=newsletter>

ASIO holds all applications in the strictest of confidence and it is essential that you do the same and do not discuss your application with others.
